GRANDE CHAMPAGNE COGNAC

Think a Century ahead

Each decanter is the life achievement of generations of cellar masters.

Since its origins in 1874, each generation of cellar master selects from our cellars the oldest and most precious eaux-de-vie for LOUIS XIII.

Today, Cellar Master Baptiste Loiseau is setting aside our finest eaux-de-vie, as a legacy to his successors for the coming century.

## MAVERICKS

In every wine list there's always a few wines that are slightly non-conformist; the mavericks. We've handpicked the following which we feel are perfectly suited to our food. Not to be ignored.

Assyrtiko/Sauvignon Blanc, Ktima Biblia Chora, Macedonia, Greece, 2020..... 9 / 50  
Cool climate results in long, slow maturation of the grapes, intensifying flavour. The vineyard abides to strict ecological agricultural standards and all work is carried out by hand.

'The Mix Up' Volume III, Blackbook Winery, Battersea, England NV..... 9 / 50  
Housed under a disused Railway arch in the centre of the capital Blackbook source all their grapes from within 2 hours of their winery. They seek to blend innovation with tradition and put the grape & terrior at the forefront of their wines

'Back to Silence', Otella, Lugana, Veneto, Italy, 2019 .....

12 / 65  
No machinery whirring, just silence. This limited edition natural wine, made with no mechanical assistance at any part of the process, has magnificent golden, orange colour & intense aromas.

Hondarribia, Hiruzta Txakoli Winery, Basque, Spain, 2020 .....

7 / 38  
Pre-2012 the production of Txakoli ("Cha-kho-lee") in Hondarribia was lost in the 1600s. Now thanks to the Hiruzta Project this naturally effervescent wine has been revitalised as the Basque icon that it is.

Ca'Rugate, Soave Classico Superiore 'Bucciato' Veneto, Italy, 2017 .....

9 / 50  
A rich orange wine made exclusively from Garganega grapes which are left on their skins to give greater colour, tannin and depth of flavour to this internationally acclaimed Soave.

## MAVERICKS

In every wine list there's always a few wines that are slightly non-conformist; the mavericks. We've hand-picked the following which we feel are perfectly suited to our food. Not to be ignored.

'Hands of Time' Blend, Stag's Leap, Napa, California, USA, 2017 .....

13 / 72

At the 1976 Judgment of Paris Stag's Leap beat established French producers in a blind tasting and disrupted the wine world. The grapes in this blend showcase the very best of Stag's Leap, and California.

Pax Æterna 'Barossa Nouveau', Chaffey Bros, Barossa Valley, Australia, 2019.....

7 / 42

Meaning 'Peace Eternal' this is a nod to the lack of machinery and therefore noise involved in the production of this wine. Grapes from 90-year old vines with an entirely modern look. Unfiltered and unfinned this is as natural as it comes

EDA Priorat, Franck Massard, Catalunya, Spain, 2014.....

19 / 110

Buying small plots from within the vineyards of larger producers, Massard uses traditional methods & biodynamic processes, prioritising quality over quantity, to prove what their land is capable of creating when directed towards quality over quantity.

Al Cantara, 'O' Scuru O'Scuru' Etna, Sicily, Italy, 2017 .....

13 / 72

Mt. Etna's volcanic soil gives this wine an aromatic minerality. The vineyards are managed with biodynamic and organic principles of minimal intervention and all grapes are handpicked.

'Tinto de la Casa' Malbec, Matias Riccitelli, Mendoza, Argentina, 2020.....

10 / 57

Matias Riccitelli is one of the most innovative young winemakers in Argentina. The use of whole-cluster fermentation gives a balance of rustic, green freshness with round, silky tannins.
